Still in the crosshairs

**Your
land...**

**...our
decisions**

**Higher profits,
fewer owners**

**MISSING
IN ACTION**

**Who's
minding
the
loose
ends?**

**DNR's carbon
credit plan:**

forest
protection
or
cover
for
business
as usual?

**Endless
plans,
massive
spending,
negligible
assistance**

**Public money,
private gains**
